Ritchie University

Ritchie University is a premier online learning website powered by the Ritchie Law Office, Ltd. Each month we highlight a specific Estate Planning topic providing educational videos, articles, and answering any common questions pertaining to the topic.

At the end of each month, you will be given an "action step." This action step will have you check on a piece of your Estate Plan and ensure it is up to date. By breaking an Estate Plan check up into small, monthly action steps, it becomes more manageable and not as time consuming.
